JUL 3 1957

MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Consultation with Commander-in-Chief, Pacific (CINCPAC)

25X1

As you will recall the NSC took the following action at its meeting of 14 March 1957, with respect to paragraph 12 of NSC 5518 (NSC action No. 1681):

"Noted the President's statement that the JCS should arrange consultation with CINCPAC to insure that there is a mutual understanding of the current situation [redacted] which does not at this time appear to require military action (other than continued planning) to implement paragraph 12 of NSC 5518."

The action above, as approved by the President was subsequently transmitted to the Secretary of Defense for appropriate action by the JCS. The JCS have effected the requested consultation and the Secretary of Defense has asked me to inform you of the result.

25X1

Discussions with CINCPAC, have confirmed the view that principal reliance must continue to be placed upon covert operations in connection with [redacted] situation. While at the present time military support of these operations would not appear to be required, the Defense Department is of course ready to render any support within its capacity which is deemed appropriate and necessary.

25X1

In so far as military action alone is concerned it is considered that CINCPAC's outline plan [redacted] remains adequate to cover contingencies under paragraph 12 of NSC 5518.
